Where did you go today?

I went to the market with my father.

What did you see at the market?

I saw orange popsicles at the market.

What else did you see at the market?

I saw pink cotton candy at the market.

What else did you see at the market?

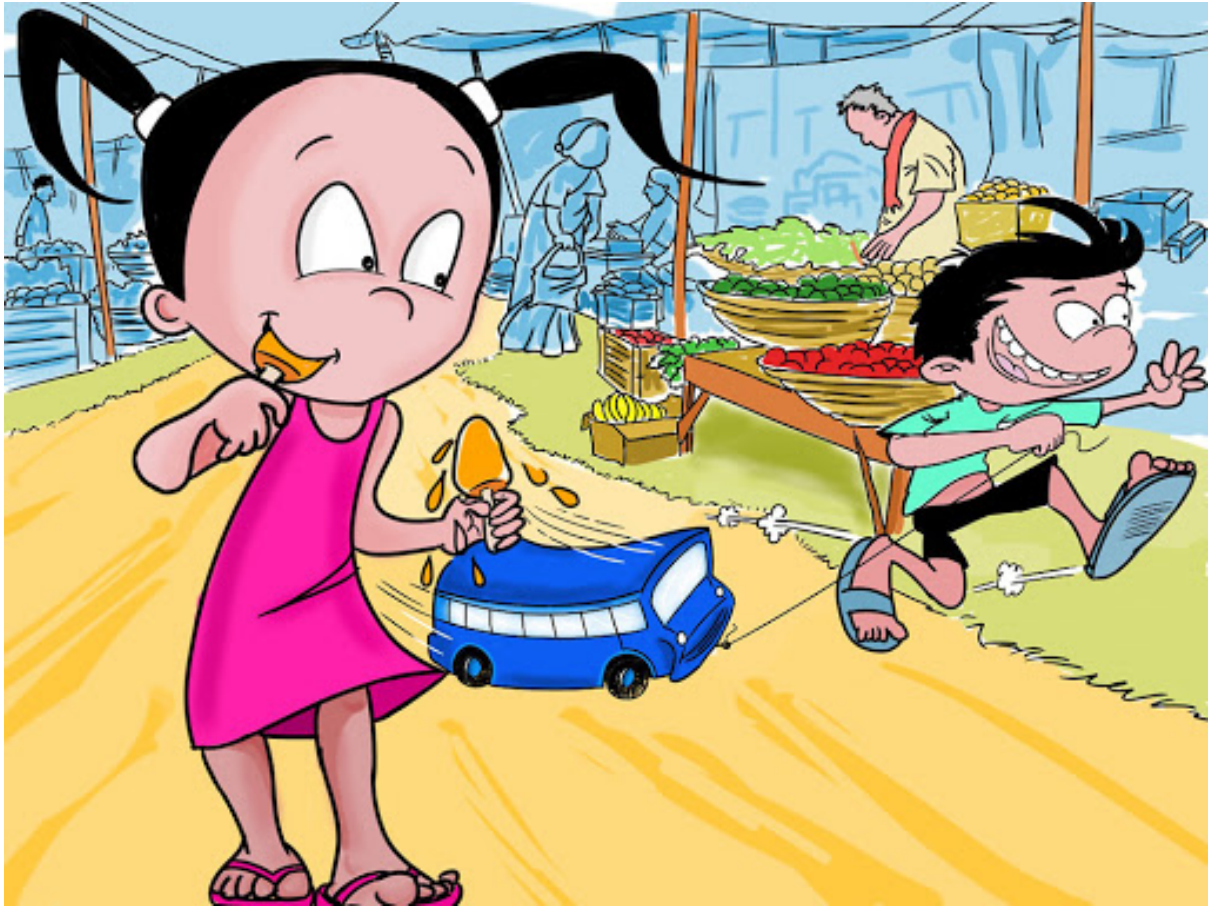

I saw a green balloon at the market.

What else did you see at the market?

I saw a flute player at the market.

What else did you see at the market?

I saw a blue toy bus at the market.

What else did you see at the market?

I saw a yellow skirt at the market.

What else did you see at the market?

I saw black sunglasses at the market.

You say you saw orange popsicles at the market? Where is your orange popsicle?

Why, I ate it, of course!
